**Genres:** LGBTQ+ Fiction, Supernatural, Dark Romance

---

**LIMERICK, IRELAND – October 2024** – Author **Simon Doyle**, known for his *Runaway Bay* series and 2023's hit *Snow Boys*, returns with a spellbinding new novel: *This Is Not a Vampire Story*. This darkly evocative tale explores the complexities of love, loss, and the weight of immortality in a story that's as much about the heart as it is about the supernatural.

Set to release on **January 7, 2025**, *This Is Not a Vampire Story* introduces readers to **Victor Callahan**, a seemingly eternal 17-year-old who takes on a night porter job in a quiet Irish nursing home. But there's more to Victor than meets the eye. As he watches over a group of men he once knew many decades ago, the line between memory and reality blurs. Through both timelines—1949 and the present—Victor must face the choices he made, the love he lost, and the ultimate price of immortality.

Told through alternating chapters between past and present, Simon Doyle weaves a narrative that balances moments of intense longing and heartache with the subtle suspense of a life lived in the shadows.

**“At its core, *This Is Not a Vampire Story* is a love story,” Doyle says. “It’s about facing the end—of relationships, of love, of life—whether through mortality or choice, and accepting that love can transcend time, even when life cannot.”**

### About the Author

Simon Doyle is an Ireland-based author known for his *Runaway Bay* series (*Runaway Train* and *Runaway Skies*) and his hit 2023 release, *Snow Boys*. With a passion for exploring the intricacies of human relationships and identity, Doyle crafts immersive stories that connect deeply with readers of LGBTQ+ fiction and beyond. When he's not writing, Doyle spends his time with a neurotic rescue dog called Hollie, and his husband, Lucas. For more information, visit [simondoylebooks.com](https://simondoylebooks.com).
